Osaka Prefecture University

Bulletin of the University of Osaka Prefecture

Bulletin of the University of Osaka Prefecture is designated for the publication of researches contributed by the members of the university. The contributions will be numbered serially and classified into three different series as follows:

Series A: Engineering and Natural Science (Mathematics, Physics, Chemistry and Mineralogy).

Series B: Agriculture and Biology.

Series C: Cultural and Social Sciences.

Each of the series may be independently published in one volume per year.

In Series B, Vol. 1, was issued in 1950 under the title "*Scientific Report of the Faculty of Agriculture, Naniwa University*, No. 1" in which a serious editorial error was found on pp. 25–28 and revised pages were supplemented. Volume 2, 3 and 4, for 1952, 1953 and 1954, respectively, were issued under the title "*Bulletin of the Naniwa University*" (Series B) and the present title was adopted from Vol. 5, (1955), according to the alteration of the university name.

All communications related to Series B. are requested to be addressed to the Dean of the College of Agriculture, University of Osaka Prefecture, Taisen-cho, Sakai-shi, Osaka, Japan.
